# ***CASTELLDEFELS AESTHETHIC CUP*** ***& LEGENDS GALA***

**6-7 JUNE 2026**

**CAN VINADER PAVILION**

**Ajuntament  
de Castelldefels**

We are pleased to invite you to participate in the Castelldefels Aesthetic Cup & Legends Gala, a unique event organized by Club Rítmica Barcelona, which will bring together competition, training and entertainment in a weekend entirely dedicated to group aesthetic gymnastics.

This initiative was created to offer a meeting place where the hard work, dedication, and talent of gymnasts and coaches can be celebrated, while simultaneously promoting and increasing the visibility of this great sport. Throughout the weekend, the teams will not only compete but will also share experiences, enrich their training, and enjoy a special gala that will pay tribute to influential figures who have made their mark on our discipline.

We want it to be an event marked by organizational quality, camaraderie and a passion for aesthetic gymnastics, offering a complete experience to both participants and the attending public.

The tournament will be held over two days:

### **Saturday, June 6th**

Official training sessions will be held for interested teams.

Subsequently, a masterclass will take place that we will reveal later...

### **Sunday, June 7th**

It will be the day of competition, with morning and afternoon sessions.

The tournament will take place in the morning, with classifications by category and level. New this year is a club classification, calculated by averaging the scores of all the exercises submitted by each club, thus rewarding the top clubs.

In the afternoon, the Gala will be held, in which teams and clubs that wish to do so can present an exercise prepared especially for this occasion.

The event will conclude with the Legends Gala, where retired and iconic teams will once again showcase their most emblematic routines. The invited teams will be revealed gradually via the tournament's official Instagram account.

We look forward to sharing an unforgettable weekend with you!!
